

# KATHERINE MICHELLE PEAVY

---

206.595.8821 ♦ [m.peavy@wsu.edu](mailto:m.peavy@wsu.edu)

## EDUCATIONAL HISTORY

- 2006-2009 University of Montana, Missoula, MT  
Doctorate (PhD) Clinical Psychology; APA Accredited  
Dissertation: Crossing the threshold: What motivates individuals who are actively abusing substances to enter treatment?  
Committee Chair: Bryan N. Cochran, PhD
- 2003-2006 University of Montana, Missoula, MT  
Master of Arts: Clinical Psychology; APA Accredited  
Thesis: Initial Substance Abuse Treatment Response for Methamphetamine Users
- 1995-2000 University of Washington, Seattle, WA  
Bachelors of Science: Psychology  
Honors: Distinction in Psychology

## PROFESSIONAL TRAINING

- 2009-2010 Postdoctoral Fellowship in Interdisciplinary Substance Use Treatment, Department of Veterans Affairs, Seattle VA Medical Center, Seattle, WA (APA Accredited) Center of Excellence in Substance Abuse Treatment and Education
- 2008-2009 Predoctoral Psychology Internship, Washington State University, Pullman, WA (APA Accredited)

## CERTIFICATIONS

- 2014-Present Licensed Clinical Psychologist; State of Washington (PY 60425023)
- 2017-Present Substance Use Disorder Professional; State of Washington (CP6055516)
- 2018-Present Master Addiction Counselor; National Certification Commission for Addiction Professionals (#511824)

## CURRENT POSITIONS

- June 2022-Present Associate Professor; Director of Training, PRISM Collaborative, Department of Community and Behavioral Health; Elson S. Floyd College of Medicine; Washington State University

June 2021-Present     Adjunct Faculty; College of Nursing Doctoral Program: Family Nurse Practitioner and Psychiatric Mental Health Practitioner Programs, Seattle University, Seattle, WA

May 2018-Present     Private Practice Psychologist, Seattle, WA

### **POSITIONS HELD PAST 10 YEARS**

December 2020-June 2022     Research Scientist; Addictions, Drug & Alcohol Institute, Department of Psychiatry and Behavioral Sciences, University of Washington, Seattle, WA

January 2019-September 2021     Research Consultant, Evergreen Treatment Services, Seattle, WA

June 2014-December 2018     Research & Training Manager, Evergreen Treatment Services, Seattle, WA

July 2012-May 2014     Assistant Treatment Director, Evergreen Treatment Services, Seattle, WA

October 2010-July 2012     Scholar – National Institute on Drug Abuse (NIDA) Clinical Trials Network, Alcohol & Drug Abuse Institute, University of Washington, Seattle, WA

### **CURRENT SUPPORT**

2022-Present     H79TI085609 Substance Abuse and Mental Health Services Administration, Co-Investigators: Elizabeth Weybright, PhD; K. Michelle Peavy, PhD; Allison Meyers, PhD; titled Northwest Rural Opioid Technical Assistance Collaborative  
Role: Co-Director

2022-Present     Foundation for Opioid Response Efforts, Principal Investigator: Margaret Kuklinski, PhD, titled Northwest Center for Family Support: Building Statewide Capacity to Implement Evidence-Based Interventions in Families with OUD  
Role: Co-Investigator

2022-Present     National Institute on Drug Abuse Clinical Trials Network, Pacific Northwest Node Multiple Principal Investigators: Mary Hatch, PhD & John Roll, PhD. Community Representative Council (CIRCL).  
Role: Representative member

2022-Present     Washington State Health Care Authority, Principal Investigator: Michael McDonell, PhD. Contingency Management Training.  
Role: Director of Training

## RESEARCH EXPERIENCE

- 2018-2021 National Institute on Drug Abuse, Principal Investigator: Michael Tanana, PhD R44DA046243, titled Technology-supported, measurement-based supervision for Motivational Interviewing  
Role: Site Principal Investigator
- 2014-2017 National Institute on Drug Abuse, Principal Investigator: Mary Hatch-Maillette, PhD; 1R01HD078163-01A1, titled Maximizing the Patient-counselor Relationship to Reduce Sexual Risk Behavior [Being Safe in Treatment (BEST)].  
Role: Site Principal Investigator
- 2015-2017 National Institute on Drug Abuse, Clinical Trials Network; DA013714, titled Extended-Release Naltrexone vs. Buprenorphine for Opioid Treatment (X:BOT) Protocol Principal Investigator: Andrew Saxon, MD  
Role: Site Principal Investigator
- 2013-2015 National Institute on Drug Abuse, Principal Investigator: Caleb Banta-Green, PhD, MPH, MSW; 1R01DA030351, titled A Trial to Prevent Opioid Overdose: E.D. Based Intervention & Take-home Naloxone.  
Role: Site Principal Investigator
- 2010-2012 National Institute on Drug Abuse, Principal Investigator: Dennis Donovan, PhD U10 DA013714 (Clinical Trials Network – Pacific Northwest Node)  
Role: Scholar; Research Scientist

## TRAINING EXPERIENCE

- 2020-2022 Washington State Health Care Authority, State Opioid Response (SOR; SAMHSA) Principal Investigator: Caleb Banta-Green, PhD; provided opioid/SUD treatment-related training and technical assistance to SOR grantees.  
Role: Trainer/Research Scientist
- 2018-2022 Northwest Addiction Technology Transfer Center (ATTC; SAMHSA). Provided evidence-based substance use disorder training to professionals in SUD treatment.  
Role: Contract Trainer/Consultant
- 2020-Present Opioid Response Network (ORN; SAMHSA). Provide opioid treatment related training and technical assistance to SUD professionals.  
Role: Consultant

## SELECTED PROFESSIONAL ACTIVITIES

Host [Drug Talk](#) podcast; Addictions, Drug & Alcohol Institute, Department of Psychiatry and

Behavioral Sciences, University of Washington

**Evidence based practice demonstrations** Addiction Technology Transfer Center (ATTC)

[Cravings from a behavioral perspective](#)

[Mindfulness Based Relapse Prevention; Urge Surfing](#)

**Member** Motivational Interviewing Network of Trainers (MINT); 2020-Present

**Consultant:** Opioid Addiction Treatment ECHO (Extension for Community Healthcare Outcomes) Billings Clinic; 2018

**Consultant:** Evidence-Based Practice Institute, Seattle, WA. 2018

**Supervisor:** University of Washington Clinical Psychology Doctoral Students; 2016-2018

**Research Therapist** Mindfulness Based Relapse Prevention Study; Addictive Behaviors Research Center, University of Washington, Seattle, WA. PI: G. Alan Marlatt, PhD, 2010

**Fidelity monitor** 12-Step Facilitation (STAGE-12; Stimulant Abuser Groups to Engage in 12 Step), NIDA Clinical Trials Network protocol 0031.

## HONORS AND AWARDS

- Recipient, College on Problems of Drug Dependence Junior Investigator Travel Award, June 2012
- Recipient, University of Montana Graduate School Dissertation Research Award, 2007
- Recipient, Outstanding Graduate Student Presentation Award at the Graduate Student and Faculty Research Conference, University of Montana, 2006
- Recipient, Bertha Morton Scholarship, University of Montana, 2005/2006
- Recipient, University of Montana Graduate School Thesis Research Award, 2005
- Honors Program, Department of Psychology, University of Washington, 2000

## AD HOC REVIEWER

The American Journal on Addictions • PLOS One • AIDS and Behavior • Journal of Applied Developmental Psychology • Journal of Substance Abuse Treatment • Addiction • Substance Use & Misuse • Journal of Ethnicity in Substance Abuse • Journal of Psychoactive Drugs • Women & Health • Culture, Health and Sexuality • Journal of Consulting and Clinical Psychology • Journal of LGBT Health Research • Journal of Clinical Psychology
